## ADMISSION PROCESS

# ABOUT FACULTY OF MASS COMMUNICATION AND MEDIA TECHNOLOGY

The Faculty of Mass Communication & Media Technology (FMMT) is among India's leading schools of journalism and media technology. Located in Gurugram, which is the fastest-growing tech hub city, the faculty offers an excellent curriculum developed in association with industry professionals that combines both theory and practice to prepare its students for the space. The best practices in media technology, linguistic studies, and the media industry are embodied in its programs.

The Centre for Languages and Communication, established in 2015 at SGT University, operates under the Faculty of Mass Communication and Media Technology. This dynamic academic hub is dedicated to fostering English language proficiency, practical communication skills, life skills, foreign languages, and cultural awareness among students. The centre supports the diverse needs of the university community, using an outcome-based education framework and aligning its curriculum with the New Education Policy (NEP).

## WHAT MAKES US STAND OUT?

- Academic Excellence:** Our pedagogy blends the visionary stride of the new education policy with a hands-on, practical approach. Emphasizing real-world scenarios, students delve into journalism and mass communication through immersive experiences. We nurture critical thinking, digital proficiency, and ethical reporting, shaping future communicators poised to excel in a dynamic media landscape.
- Diversity and Inclusion:** Students get a chance to work and interact with people from all over the country, and the knowledge and diverse perspectives available contribute significantly to their growth.
- Research and Innovation:** FMMT and CLC champion research with a dedicated facility. From media analytics to communication trends, students engage in insightful projects. Our research hub fosters intellectual exploration, encouraging students to contribute meaningfully to the evolving discourse of media and literature studies.
- Global Opportunities:** The university has international tie-ups on teaching and research aspects, including the promotion and development of academic collaborations through student and faculty exchange programs, extended to scientific research, scholar visits, short-term study tours, cultural exchanges, etc.
- Career Service and Industry Partnerships:** Faculty provides 100% placement assistance to eligible candidates through industry mentors in the form of mock interviews, industrial visits, workshops, industrial internships, bootcamps, and networking events with potential employers. Aligning students with industry requirements for placements and providing them with career services is supervised by CRC.

## CAREER OPPORTUNITIES

Graduates of our journalism and mass communication programs are primed for exciting career paths, exploring roles as:-  
 Investigative Journalists | Content Creators | Social Media Strategists | Public Relations Specialists | Multimedia Producers
