ADMISSION PROCESS

ABOUT FACULTY OF NURSING

Starting out as Dashmesh College of Nursing in 2012, the Faculty of Nursing took on its current title in 2013 with the advent of SGT University. All the courses in the faculty are recognized by the Indian Nursing Council, New Delhi, and the Haryana Nurses and Nurse-Midwives Council, Govt. of Haryana. The curriculum has been planned to provide in-depth knowledge to enable the graduates to function effectively in various clinical settings.

WHAT MAKES US STAND OUT?

- Academic Excellence:** Nursing is a practical-oriented profession; therefore, the Faculty of Nursing gives students opportunities to learn in a laboratory and in a real-life clinical setting at SGT Hospital in all specialty areas and in the community. The faculty also provides skill and simulation training at the world-beating National Reference Simulation Centre.
- Diversity and Inclusion:** Students get a chance to work and interact with people from all over the country, and the knowledge and diverse perspectives available contribute significantly to their growth.
- Research and Innovation:** The faculty is constantly fostering innovative research to improve nursing standards. It has conducted three extramural projects to date.
- Career Service and Industry Partnerships:** Faculty provides 100% placement assistance to eligible candidates through industry mentors in the form of mock interviews, industrial visits, workshops, industrial internships, bootcamps and networking events with potential employers. Aligning students with industry requirements for placements and providing them with career services is supervised by CRC.

Studying for the past 2 years at SGT University has been a wonderful experience, one that I will always treasure. The faculty puts a lot of effort into our overall development. I have the utmost respect and devotion for the SGT University faculty as a whole. Their efforts led me to believe that I was a more capable professional

Priyanka

SGT University has given me the best academic education and has been extremely helpful in advancing my career. The faculty, staff, and administration at SGT University have all supported me throughout my academic career, which has been absolutely amazing. I work at the Institute of Liver and Biliary Sciences in New Delhi, one of the most renowned centers for the treatment of gastrointestinal disorders, biliary diseases, and liver transplants, both in India and internationally
