About SGT

It gives us immense pleasure to introduce to you SGT (Shree Guru Gobind Singh Tricentenary) University, Gurugram, which spreads over 75 acres of lush green campus enveloped with serene beauty and environment. The University is situated at Chandu-Bhudera on the outskirts of Gurugram, is less than five kilometres from Delhi border at Daurala and has easy and convenient access from I.G International Airport.

SGT University came into existence by the Haryana Private Universities (Amendment) Act No. 8 of 2013 making educational opportunities available to all segments of the society under the parasol of Dashmesh Educational Charitable Trust, which was founded in 1999 with the holy cause of propagating the message of Shree Guru Gobind Singh Ji, the great philosopher and social reformer which says “spread of learning is the best service to mankind”. In fact, the seeds for its magnificent growth were sown way back in 2002 with the establishment of the SGT Dental College.

Dedicated Corporate Resource Center, Centers of Excellence and academic associations like Apple, Laerdal-Jhpiego, SAP NextGen, UNESCO Bioethics, IBM, ORACLE, University of California -Berkley, Nobel Biocare, Trimble, Intel, NSE, Tally India, OI STAT, SMC India, CIMA & German Academy for Digital Education helps to develop naturally confident young innovative leaders who will weave career advancement opportunities through continuous learning & development.

- QS i Gauge- Diamond Rating
SGT University is extremely proud to announce that it has been awarded “DIAMOND” University rating during the QS India Summit.
- Faculty of Engineering and Technology conferred with “The Most Promising Institute in India” at Jagranjosh Rank One Awards-2018
- Faculty of Engineering ranked 4th in India by Times Engineering Survey 2016
- Faculty of Commerce and Management conferred with “The Most Promising Institute in India” at Jagranjosh Rank One Awards-2018

Message From The Desk of Chairperson

I take this opportunity to introduce SGT University that was set up in the year 2013 with the sole aim of nurturing future leaders and serving mankind through education.

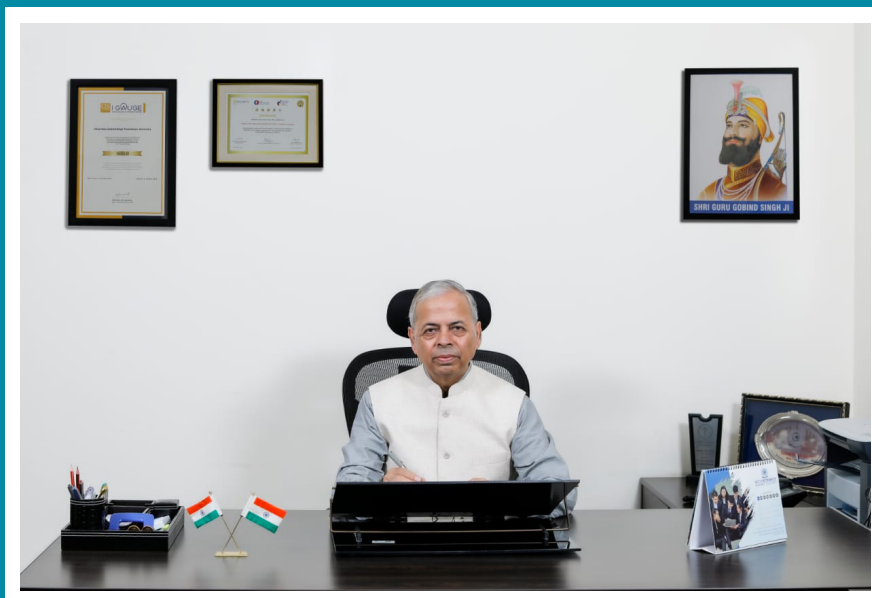

Education is a dynamic and never ending process that involves consistent, thoughtful and innovative approach. SGT University strives to provide academic excellence fused with extra and co-curricular activities that facilitate a balanced, ethical and futuristic ideation among the students.

SGT focuses on practical, industry driven education that syncs in naturally with industry demands. Inter and multi-disciplinary courses and specializations have been introduced that are drawing the best of the students towards SGT University. Our alumni are bringing laurels to SGT by working at prestigious and reputed organizations. This is a reflection of the efforts of dedicated and talented faculty who inculcate the sense of duty and professionalism among the students as well as the industry experts who support us.

My dream and mission is to see that each one of our student charts a successful career!!

Ms. Madhupreet Chawla
Chairperson,
SGT University

Message from the Desk of Hon'ble Vice-Chancellor

The Corporate Resource Centre(CRC) functions as a bridge between the corporate world and academia for attracting the Industry leaders for interaction with the students and faculty of the University. The CRC looks after the training and placement activities of students on a continuing basis.

The CRC provides leadership for establishing corporate relations with Industry and various certification bodies and enhancing the visibility of the University. The team consists of senior professionals and placement executives, who initiate and maintain the University-Industry dialogue and manage the final placement activities.

The team evaluates student performance levels and ensures relevant preparation for their corporate placements. Working both at the supply and demand sides of the placement, the team plays the vital intermediary role of matching academic excellence and industry expectations and appropriately counselling students.

Job opportunities are always available to the students who develop themselves as per the requirements of the industry. Placement activities in the University help the students to groom them as per new trends in the job market.

The activities of the CRC include conducting training programs, briefing the students on the career opportunities in Industry, and counseling the individual students on the right career choices. The University believes that the entire placement exercise is a joint effort between the University and the students.

Prof (Dr) D. P. Kalra
Vice Chancellor,
SGT University

Message From The Desk of Pro Vice Chancellor

Education is the founding stone of any society's development. And to deliver the best education, we need minds that are brilliant and dedicated to the never ending process of self-learning and facilitating the process of learning. Hence University has chosen the educators with lots of care, as the result, we have extremely talented and dedicated thought leaders from premier institutions. They are torch bearers in the field of research and academics, and set high standards of work ethics and moral values.

We believe that today's students are the leading lights and storehouses for all the new ideas, inventions and discoveries, therefore we focus on curriculum that facilitates and encourages this. Re-inventing the way education is imparted, creating industry related and multi-disciplinary curriculum, motivating students to conduct research and invent are the driving forces for us at SGT University.

Industrial internships, specialized workshops and expert talks are regularly organized to give a real time glimpse of the work place ethics and demands. Synergy - The Tech Fest is an annual feature where the students present their research projects' prototypes. Internship Fair, Placement drives and Placement Fairs are regularly organized on campus and we have always received very enthusiastic response from both the industry.

Dr. Vikas Dhawan
Pro Vice Chancellor,
SGT University

Some of them are mentioned here:

- Arena (Drama)
- Shutterbugs (Photography)
- Artsy (art & Craft)
- Swar Sidhi (Hindustani Vocals)
- Musicity (Western Music)
- The Legacy (Dance)
- Movie making
- Sports
- Literate Acers Association (LAA)
- Engwings : Literary Club

Synergy

SYNERGY-The Tech Fest is organized annually to inculcate interdisciplinary innovative approach among the students for building New India. It aims at synergizing the young minds to be creative and innovative. The synergy provides an appropriate platform for the students to showcase their talent, creativity and innovative ideas developed by them. Students from various colleges and schools of NCR and Haryana presented more than 250 projects.

Cultural Activities

Diwali and Holi Festival Celebrations

SGT University is a place that celebrates the cultural diversity with lots of enthusiasm and fervor. Whole of the programme, beginning from the venue recce, conceptualizing the decorations, preparing the decorative items, painting the murals, deciding and preparing the theme of the performances, guest invites design and hospitality service- everything is initiated and organized by the students.

These events help develop leadership, team work, creativity, time management, crisis management, event management and plethora of other soft skills that are needed big time in professional life.

Social Connect Programmes

With a vision of benefitting the society on a whole; especially the poor and the underprivileged, SGT University Gurugram, has been actively involved in taking various initiatives complimenting the concerns of the society. The area of reach for our social causes includes all areas in Gurugram, neighbouring areas like Faridabad, Rewari, Nuh, Sohna, Manesar etc. We also have reach to many parts in East, West and South Delhi. SGT University has pioneered and implemented SWA-PRERIT ADARSH GRAM YOJANA A team of experts comprising of medical dental specialists, physiotherapists, psychologists, as well as professionals from Law and Engineering department conduct door –to-door visits.

Collaborative operations with NGO's like, MIW Foundation, DLF Global Development, Reliance SEZ Company Ltd and Blind Relief, Association Lodhi Road, New Delhi; and training programs for ASHA workers, prisoners at Tihar Jail New Delhi, Jhajjar District jail Bhondsi jail in Gurgaon are being held.

Skilling Initiatives/ Soft skills Enhancement

At the Corporate Resource Centre (CRC) we strive for an " Out of the Box" approach to establish greater industry linkages. To keep our students updated, continuous training is provided. Two approaches are taken. One is ' Soft Skills' and another one is of " Domain Specific"training. These trainings are given by Industry Experts in the form of Group Discussions, Mock Interviews and Mock Tests. These initiatives have helped students in gaining confidence and upscaling their knowledge which leads to better placements.
